2010 Business Awards Winner

Helping Hands is an established social enterprise which has been delivering a Handyman and Minor Repairs scheme in Salford since 1998. Founded by local residents, Helping Hands business has grown incrementally by the expansion of its customer base, diversification of its services and broadening the source of funding grants.

The primary objective of the Company is to offer types of work that are FREE OF CHARGE to the disadvantaged and vulnerable, particularly older people and young families. This work is delivered and funded in partnership with Salford City Council.

This work involves making our clients feel more secure and safe, the prevention of slips, trips and falls and goes some way towards the upkeep of the property.
